## FACTION RULE

### BLAZE

---

Only in holy fire can deviance be absolved. With flamer and burning hands the faithful purge the malignant taint of heresy.

Some weapons in this team's rules have the Blaze weapon rule below.

**\*Blaze:** If you retain any critical successes, the operative this weapon is being used against gains one of your Blaze tokens (if it doesn't already have one). Whenever an operative that has one of your Blaze tokens is activated, inflict D3 damage on it. Then that operative's controlling player selects one of the following:

- Roll one D6: on a 3+, remove that token.
- Subtract 1 from the operative's APL stat until the end of that activation to remove that token.

## FACTION RULE

### MINISTORUM SERMON

---

A mighty orator booms out an impassioned sermon. The fire and brimstone words inflame the zeal of their followers, enabling them to shrug off wounds and remain in the fight.

**STRATEGIC GAMBIT.** Select one friendly **SANCTIFIER**  operative. If a friendly **CONFESSOR** operative hasn't been incapacitated, you must select it. Until you use this **STRATEGIC GAMBIT** again during the battle, that operative has the **ORATOR** keyword.

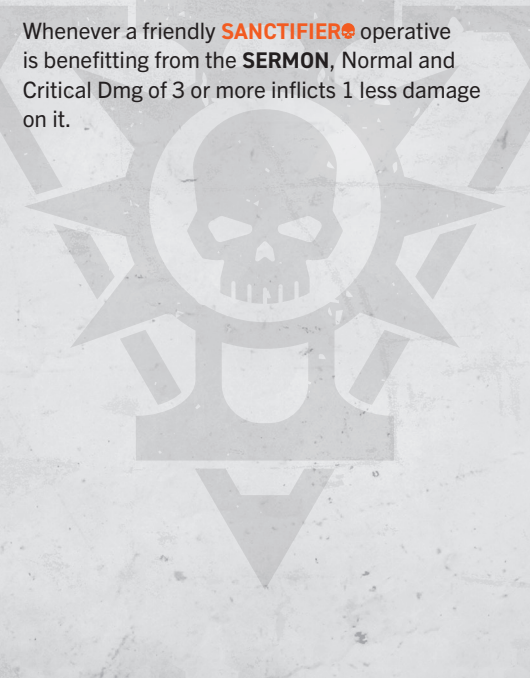

Whenever a friendly **SANCTIFIER**  operative is within 3" of a friendly **ORATOR** operative (or 6" if the **ORATOR** is a **CONFESSOR**), that friendly **SANCTIFIER**  operative is benefitting from the **SERMON**.

CONTINUES ON OTHER SIDE

Whenever a friendly **SANCTIFIER** operative is activated within 3" of a friendly **ORATOR** operative (or 6" if the **ORATOR** is a **CONFESSOR**), that friendly **SANCTIFIER** operative is benefitting from the **SERMON** until the end of that activation (i.e. even if it then moves more than the distance requirement from the **ORATOR** operative).

Whenever a friendly **SANCTIFIER** operative is benefitting from the **SERMON**, Normal and Critical Dmg of 3 or more inflicts 1 less damage on it.
